St Peter's Recycling Initiative 2012

To further demonstrate its commitment to the environment, St Peter's GAA Club is continuing its recycling programme. As with the Club's previous recycling programmes, a donation will be made to Newry Hospice.

To contribute to this initiative, we would ask you to place all your used or unwanted items of clothing, footwear, household curtains, bed-linen etc, into bin bags and leave them **near the steel container in the bottom car-park at St Peter's Club.**
It's that simple!

What we want:

- **Various items of clothing;**
- **Bags & Shoes (please tie shoes together using laces);**
- **Hats & Belts;**
- **Towels & Curtains; and**
- **Bed-Linen – sheets, blankets, pillow cases but not duvet covers.**

Your deposits can be made at any time

Thank you for supporting this important initiative
